About The Cornucopia Committee

The Cornucopia Committee was established in 1963. Dedicated to raising funds for the prevention and treatment of child abuse, The Cornucopia Committee donates directly to The Child Protection Units of The Royal Hospital for Women, The Northern Sydney Child Protection Service, The Sydney Children's Hospital Randwick, The Children's Hospital Westmead and The Child Abuse Prevention Service (CAPS).

Over the past five years, The Cornucopia Committee has hosted a garden party at historic "Swifts" at Darling Point. Attended by some 350 people to each event and raising upward of \$70,000.00 annually this event has become our major fundraising event and one which enables a significant donation to help those children of our society who are sadly affected by the horror of abuse. Every dollar raised is one more step in helping break the cycle of abuse.

Over the past years this event has been held during the day, however this year we have moved to a Twilight and evening event. This event has been supported by Corporate sponsorship and attended by our Patron, Her Excellency Professor Marie Bashir, Governor of New South Wales. The Swifts function is successful due to the support of many and varied sponsors, including long time supporter De Bortoli Wines, Charlie Brown, Jimmy Choo and last year we welcomed guest tenor Mark Vincent who engaged our guests in a mesmerizing performance.

The Cornucopia Committee, together with our host and Vice President Evette Moran are looking forward to another successful fundraising event at Swifts Twilight Soirée 2012 together with the expertise of master of ceremonies Ms Angela Belle-McSweeney.
